

Galbraith Building - GB
35 St. George Street
Toronto, ON, Canada
M5S 1A4

DIRECTIONS:

Using Public Transit

The Toronto Transit Commission (TTC) operates many modes of public transportation around the St. George campus. U of T can be directly reached by bus, streetcar and by 4 main subway stops: Spadina, St. George, Museum, and Queen's Park. To see these stations on a map, [click here](#). **Fares** TTC fare is \$3.00 per ride. Cash fare must be paid in exact change on buses and streetcars. Most subway stations have an attendant to make change.

Streetcars and buses run along Bloor St., Spadina Ave., Harbord St., College St., Queen's Park Cres., Wellesley St., and Bay St.

Subway: closest station is Queen's Park (intersection of College Street and University Avenue; exit station on the North West corner and walk west to St George Street)

Parking:

Underground parking is located in the Bahen Building (BA), (<http://map.utoronto.ca/utsg/building/080>) parking entrance off of Huron Street, then take elevator to ground level and cross St. George Street to GB;
Surface parking is also available on King's College Circle, but availability is usually limited

Getting to Room GB202

The **Michael Charles Council Meeting Chambers, Room GB202**, is located on the 2nd floor of the Galbraith Building (main Engineering building on west side of St. George St. / directly across from the Bahen Centre for Information Technology). 35 St. George Street, Toronto, Ontario

On entering the building go to your left towards the Department of Civil Engineering and the stairway up ahead. Continue walking upstairs to the 2nd floor, enter the hallway and continue to walk straight ahead towards GB 202 which is located on your immediate left with the mahogany wooden door.

Main Entrance to Galbraith Building

Stairways to 2nd Floor

Second Floor Hallway
